Chairman's Message

I am elated to learn that BRCM Education Society is bringing out XI Edition of ‘Samagra Shiksha’, a quarterly magazine, in July, 2015.

On a cursory glance of the previous issues of the ‘Samagra Shiksha’, I have observed that it is highly informative and educative in nature. The Advisory & Editorial Boards take special care to ensure that ‘Samagra Shiksha’ does not remain a platform to highlight the achievements and important events of the sister institutions, as most internal publications do; it lays emphasis to reflect important national and global events, inspiring & thought provoking articles and motivating life & achievements of eminent personalities, which will be of immense value to the students and observers of Indian history and freedom movement.

I am extremely happy to know that BRCM Education Society & Gram Panchayat, Bahal have jointly organized and celebrated 1st International Yoga Day at Bahal on 21st June, 2015. I also extend my heartiest congratulations to all students of BRCM Public Schools, Vidyagram & Gyankunj, who topped and succeeded in CBSE Exams for the session 2014-15 with flying colours.

I wish all the members of BRCM family every success in their noble venture.

1st International Yoga Day Celebration at Rajiv Gandhi Khel Stadium, Bahal

BRCM Education Society and Gram Panchayat, Bahal jointly organized the 1st International Yoga Day on 21st June, 2015 in a big way. Local people, youth and children of Bahal & surrounding areas along with the staff of BRCM Group of Institutions actively took part in the celebration. Shri J.P Dalal, Senior BJP Leader, Loharu was the chief guest of the function which was widely reported in the media as one of the well-organised and well attended function in Bhiwani District.
Bharat Ratna
Madan Mohan Malviya

Born on December 25, 1861 at Allahabad, Madan Mohan Malviya was catapulted into the political arena immediately after his first moving speech at the second Congress session held in Kolkata in 1886. It speaks volumes about his leadership and organizational capabilities and oratorical skills that he became the president of Indian National Congress four times in 1909, 1918, 1930 and 1932. Malviya Ji is remembered for his stellar role in the Independence movement. His main achievement was establishment of the Banaras Hindu University (BHU) in the year 1916.

He had his schooling at Allahabad District School. Later in his life, he was destined to start his teaching career from this very school in 1884. During his school days itself several poems written by him were published in journals and magazines. He matriculated in 1879 from Allahabad University, completed his B.A. degree from Calcutta University and later did his M.A. in Sanskrit. He left his teaching job to join as an editor of a nationalist weekly. He left that too and pursued Law Degree. After completion of law degree, he began his practice at the Allahabad District Court in the year 1891 and then in the High Court in December, 1893. He appeared in the court for saving 177 freedom fighters in the Chouri-choura case.

He had started the Scouting inspired organization known as the Seva Samithi. He met with Annie Besant in 1911 and determined to work on a common Hindu University at Banaras. He joined the group of Lala Lajpat Rai, Jawaharlal Nehru and many others in order to protest against the Simon Commission in 1928. He had popularized the 'Satyameva Jayate' (Truth alone will triumph) slogan. He became the Chairman of Hindustan Times from 1924 to 1946.

Pandit Madan Mohan Malviya remained Imperial Legislative Council's member from 1912 to 1926 (in 1919 it was transformed into the Central Legislative Assembly).

He worked in society on many important fields and he tried to eradicate the caste barrier in temples and other social barriers. Because of his social works for Dalit areas, he was even expelled by the Shri Gaud Brahmin Sabha. He had organized the entry of Hindu Dalits in the Kalaram Temple on the Rath Yatra day and took a dip in the Godavari River by chanting the Hindu mantras.

A great freedom fighter, educationist and social reformer, Pandit Madan Mohan Malviya was nominated to get highest civilian award of India, the ‘Bharat Ratna’ in month Dec. 2014. Indian President, Mr. Pranab Mukherjee conferred the “BHARAT RATNA” on Pandit Madan Mohan Malviya posthumously on 30th March 2015.

Mrs. Saraswati Malviya, grand-daughter-in-law of Pandit Madan Mohan Malviya and other family members receiving the honour from President Pranab Mukherjee at Rashtrapati Bhavan, New Delhi.
Congratulations for Meritorious Performance in CBSE Exams

BRCM Public School, Gyankunj

AISSE Result-2015 (Class-X) 10 CGPA

- Pooja (Anita Dhillon) 94.2% (Commerce)
- Vanita (Ankush Kumar) 93.8% (Commerce)
- Rachit Goyal (Archana) 93.2% (Commerce)
- Yogesh Mittal (Rachit Goyal) 93.2% (Commerce)
- Pranshi Agarwal (Yogesh Mittal) 92.6% (Medical)
- Mahak (Pranshi Agarwal) 91.6% (Medical)
- Pradeep (Mahak) 91.2% (Non-Medical)

BRCM Public School, Vidyagram

AISSE Result-2015 (Class-X) 10 CGPA

- Aman Agarwal (Nepal) 93% (Non-Med.)
- Mohit Agarwal (Assam) 93% (Non-Med.)
- Pranav Chaudhary (Bihar) 93% (Non-Med.)
- Ravish Kumar (Bihar) 93% (Non-Med.)
- Rishi Shyan (Bihar) 93% (Non-Med.)
- Roshan Anand (Jharkhand) 93% (Non-Med.)
- Shyamal Arvind (Nepal) 93% (Non-Med.)
- Karan Jhakhar (Haryana) 93% (Non-Med.)

TOPPERS OF AISSCE-2015 (Class-XII)

- Karan Kirodilia (Haryana) 93% (Non-Med.)
- Sachin (Haryana) 91.4% (Med.)
- Vinit Kumar (Haryana) 92.0% (Com.)
National Conference

4th April 2015, Department of CSE organized a one-day National Conference on “Innovative Trends in Computer Science Engineering” (ITCSE-2015). The inaugural ceremony was graced by Dr. Nasib Singh Gill, Professor, M.D. University, Rohtak as chief guest and Dr. B. K. Kaushik, Associate Professor, IIT Roorkee as a Guest of Honour. Dr. Gill shared his views about the importance of innovation in computing technologies while Dr. Kaushik laid emphasis on the research work which enhances societal benefits. Proceeding of the conference was released on this occasion which records 58 papers by scholars from different parts of the country.

The conference observed two technical sessions. The first technical session was chaired by Dr. Rishipal Singh, Professor, GJU&S&T, Hisar while the second was chaired by Dr. Sukhpal Sangwan, Associate Professor, DCRUS&T Murthal. Participants were awarded certificates in valedictory ceremony. The Proceeding of the Conference is published in International Journal of Recent Research Aspects, Impact Factor 0.7.

Workshops

Workshop on Revit Architecture
April 14, 2015, a one-day workshop was organized by Department of Civil Engineering on “Building Information Model Using Revit Architecture”. A quiz based on the content of the training followed the workshop. The winners were awarded medals and certificates. The workshop observed participation of 34 participants.

Workshop on “PLC & SCADA”
April 18, 2015, Department of Electrical & Electronics Engineering organized a one-day workshop on PLC & SCADA for 2nd and 3rd year students. The workshop was conducted by Futuronix India Pvt. Ltd, Delhi.

Department of Computer Science & Engineering organized, a one-week MHRD sponsored workshop on “Introduction to Design of Algorithms” from May 25-30, 2015. The workshop was conducted by IIT, Mumbai through video conferencing under the aegis of National Mission on Education through ICT.

Short Term Training Programme

June 2, 2015, a 2-week long STTP by ISTE on “Environmental Studies” commenced which was conducted by IIT, Mumbai under National Mission on Education through ICT (MHRD Govt. of India) with the objective to educate the teachers on how to sensitize engineering students for environmental issues. Resource persons from IIT,
Mumbai and Amrita Vidya Peeth delivered lectures on air pollution, solid waste management, water resource, food resources, environmental economics, environmental ethics and sustainable development. It was attended by 22 participants from BRCM CET and other colleges in the vicinity. The programme, hosted by the Department of Civil Engineering, was concluded on June 12, 2015."

- **March 16-20, 2015**, Mr. Durgesh Kumar Srivastava, Assistant Professor, CSE attended a one-week Short Term Training Programme on “Introduction to Design of Algorithm” at IIT Kharagpur.

- **May 11-15, 2015**, Mr. Gundeep Tanwar, Associate Professor, CSE published a paper on “Handoff Based on QOS Parameters in Heterogenous Network” at NITTTR Chandigarh.

- **March 16-20, 2015**, Mr. Santosh Kumar Srivastava, Sr. System Administrator, Mr. Praveen Kanth, Assistant Professor, CSE published a paper on “Survey of Mobility Model for FANET” in Proceedings of National Conference ITCSE-2015, April, pp 95-99.

- **April 1-2, 2015**, the Technical Fest of Department of ECE was organized which included various technical and non-technical competitions. The fest observed an overwhelming participation of 500 students from different branches of college. The event was hosted by Electronics Engineering Society and the whole show was managed and coordinated by faculty and student members of the Society.

**Paper Publication**

- Mr. Praveen Kanth, Assistant Professor, CSE published a paper on “A Review of DNA Based Cryptographic” in Proceedings of National Conference ITCSE-2015, April, pp 31-33.

- Dr. Sudesh Kumar, Associate Professor, CSE published a paper on “Enhancing System Performance Utilizing Cache Architecture” in Proceedings of National Conference ITCSE-2015, April, pp 50-54.

- Dr. Kamal, Assistant Professor, & Dr. Sudesh Kumar Associate Professor CSE published a paper on “Modelling and Performance Evaluation of Dynamic Routing over MANET using NS-2.35” in Proceeding of National Conference ITCSE-2015, April, pp 81-86.

- Dr. Sudesh Kumar, Associate Professor, CSE published a paper on “Energy Efficiency Model for Cloud Datacenters” in Proceeding of National Conference ITCSE-2015, April, pp 87-92.

- Mr. Basant Sah, Assistant Professor, CSE published a paper on “Efficient and Secure Data Transmission by using Steganography Technique” in Proceeding of National Conference ITCSE-2015, April, pp 93-94.

- Dr. Kamal, Assistant Professor, & Dr. Sudesh Kumar Associate Professor CSE published a paper on “Analysis of Security Issues and Their Solutions in Wireless LAN” in Proceeding of National Conference ITCSE-2015, April, pp 95-99.

- Mr. Sunil Maakar, Assistant Professor, CSE published a paper on “A Brief Survey of Mobility Model for FANET” in Proceeding of National Conference ITCSE-2015, April, pp 108-108.

- Mr. Shelej Khera, Associate Professor, ECE published a paper on “Vertical Handoff Based on QOS Parameters in Heterogenous Network” in Proceeding of National Conference ITCSE-2015, April, pp 112-117.

- Mr. Sajjan Singh, Assistant Professor, ECE published a paper on “An Overview and Comparative Study of Different PAPR Reduction Techniques in OFDM System” in Proceeding of National Conference ITCSE-2015, April, pp 112-117.

- Mr. Praveen Kanth, Assistant Professor, CSE published a paper on “Enhancement of Security With The Help of DNA Cryptography” in Proceeding of National Conference ITCSE-2015, April, pp 156-159.

- Mr. Amit Nain, Assistant Professor & Mr. Sunil Makkar Assistant Professor, CSE published a paper on “Routing Protocols in FANET: Survey” in Proceeding of National Conference ITCSE-2015, April, pp 175-177.

- Mr. Sunil Maakar, Assistant Professor, CSE published a paper on “Concept of Flying Ad-hoc Network: A Survey” in Proceeding of National Conference ITCSE-2015, April, pp 178-182.

- Dr. Sudesh Kumar, Associate Professor, CSE published a paper on “Location Based System Using Google Cloud Messaging” in Proceeding of National Conference ITCSE-2015, April, pp 183-186.

- Mr. Santosh Kumar Srivastava, Sr. System Administrator, Mr. Praveen Kanth, Assistant Professor, CSE published a paper on “Analysis & Improvement of Critical Section Problem in Distributed Mutual Exclusion” in Proceeding of National Conference ITCSE-2015, April, pp 187-189.

- Mr. Sunil Maakar, Assistant Professor, CSE published a paper on “Routing Protocols in FANET: Survey” in Proceeding of National Conference ITCSE-2015, April.

- Mr. Sunil Maakar, Assistant Professor, CSE published a paper on “A Brief Survey of Mobility Model for FANET”, in Proceeding of National Conference ITCSE-2015, April.
Sports Meet by BCON

March 20-21, 2015, BCON, the Multi-Activity Club organized a 2-day sports meet for 1st year students. The meet included Inter-branch matches of Volleyball, Badminton & Table Tennis. Volleyball match was won by students of Civil Engineering while the Mechanical Boys were the runner-ups. Students from Civil also took the lead in Table Tennis with Ashish at 1st position, Siddharth from CSE was at 2nd and Rohan from CSE at 3rd position. Badminton (boys) was won by Krishan Kaushik (CSE) and Sachin (Civil) was runner-up. Badminton (girls) had Neha (EEE) as winner and Swati (EEE) as runner-up.

World Environment Day

June 5, 2015, the World Environment Day was celebrated by the Department of Civil Engineering with a message that consumption of natural resources is critically higher than what the planet sustainably provide. Dr. Arbinda Sharma, HOD, CE put forth the view that we have to “think globally and act individually”. The celebration observed some inspiring and contextual presentations by participants. Dr. B.C. Sharma, Principal, College graced the event as Chief Guest and updated the audience about the environmental management programmes initiated by BRHD Trust. Guest of Honour, Dr. Makhan Singh, Government College, Rewari and Dr. Surendera Singh, M. D. University, Rohtak emphasized the basic facts that by protecting the environment we are safe guarding ourselves. The celebration was concluded with the resolution to follow an eco friendly life style to create an eco friendly globe.

Confluence-15

April 2, 2015, Mechanical Engineering Society (MES) in collaboration with Student Activity Cell organized Confluence-15, the Intra Departmental Group Discussion Competition. The competition provided a platform to young ignited minds to share their wide large perspective on the issues the globe is facing presently. Navdeep Aggarwal, 3rd year ME, bagged first position. Second position was secured by Nikhil, 2nd year ME and third by Ajay Punia, 3rd year ME.

NSS in Action

March 21, 2015, a one-day NSS Camp was organized to create awareness about protective measures against Swine Flu through presentation and lectures.

March 19-25, 2015, NSS Unit organized a one-week long First Aid and Home Nursing Training programme in collaboration with Red Cross Society, Bhiwani. The programme was attended by 103 NSS volunteers of the college.

March 25-31, 2015 a multi-activity 7-day camp was organized by NSS Unit of the college. The whole week was packed with various awareness sessions and rallies.
April 3, 2015, Navras, The Drama Club presented “Oedipus the King”, the play based on the story of the guilt of Oedipus. Oedipus departed from his parents while in infancy and in his youth he ignorantly married his mother killing his own father. The histrionic prowess of the participants was at its best throughout the show which glued the audience to their seats.

Oedipus : The King

April 3, 2015, Navras, The Drama Club presented “Oedipus the King”, the play based on the story of the guilt of Oedipus. Oedipus departed from his parents while in infancy and in his youth he ignorantly married his mother killing his own father. The histrionic prowess of the participants was at its best throughout the show which glued the audience to their seats.

Societal Concerns of The Trust

Course on Electrical Wiring Course
March 19, 2015, a one-month course on Electric Wiring commenced for the youth of the region. The course was conducted by the Department of EEE in collaboration with NABARD. This was towards the fulfillment of society’s one point programme of inclusive growth of the society.

Corporate - Activities

Gautam Solar Pvt.Ltd. conducted a drive ECE, EEE and ME students in New Delhi. Finally 2 students from BRCM CET got selected.

Industry-Academic Interface

- March 26, 2015, 2nd & 3rd year ECE students visited Central Electronics Engineering Research Institute (CEERI), Pilani.
- April 1, 2015, 2nd year CE students visited Haryana Space Application Institute, Hisar.
- March 20, 2015, 2nd & 3rd year EEE students visited Panipat Thermal Power Plant, Panipat.

The volunteers went door to door and enlightened the villagers about the importance of Jan Dhan Yojna, importance of having bank account, Adhar Card and Subsidy schemes of the government. Jan Chetna Rally to emphasize the need of water and energy conservation and Beti Bachao Abhiyaan were also a part of the camp. The camp was concluded with the visit of volunteers to Solar Power Plant, Bio-gass Plant, Dairy Farm and Water Conservation Project.
SAP HANA is the latest in-memory analytics product from SAP; using HANA companies can do adhoc analysis of large volumes of data in real-time.

SAP HANA (high-performance analytic appliance) is an application that uses in-memory database technology, which allows the processing of massive amounts of real-time data in a short time. The in-memory computing engine allows HANA to process data stored in RAM as opposed to reading it from a disk. This allows the application to provide instantaneous results from customer transactions and data analyses. Using HANA, companies can analyze their data as soon as it is available.

HANA is fast due to many reasons. The traditional databases store the relational table one row after another, IMCE stores tables in columns. The following figure depicts a very simplified version of what's inside the In-memory Computing Engine.

1. Compression: As the data written next to each other is of same type, there is no need to write the same values again and again. There are many compression algorithms in HANA with the default being the dictionary algorithm, which for example maps long strings to integers.

2. Example of dictionary algorithm: You have a Country column in your Customer table in your database. Let's say you have 10 million customers from 100 countries. In the standard row-based storage you will need 10 million string values stored in memory. With the dictionary compression, the 100 country values will be assigned an integer based index and now you need only 10 million integers + the 100 string values + the mapping of these values. This is a lot of compression in terms of bytes stored in memory. There are more advanced compression algorithms (RTE etc) which would even reduce the 10 million integer storage.

3. Now imagine a scenario with 100 tables and a few thousand columns. You get the picture. Less data is exponentially proportional to fast processing. The official tests show a compression of 5-10x, that is a table which used to take 10GB of space would now need only 1-2GB of storage space.

4. Partitioning: SAP HANA supports two types of partitioning. A single column can be partitioned to many HANA servers and different columns of a table can be partitioned in different HANA servers. Columnar storage easily enables this partitioning.

5. Data stripping: There are often times when querying a table, a lot of columns are not used. For example, when you just want the revenue information from a Sales table which stores a lot of other information as well. The columnar storage enables that the unnecessary data is not read or processed. As the tables are stored in vertical fashion, there is no time wasted trying to read only the relevant information from a lot of unnecessary data.

6. Parallel Processing: It is always performance critical to make full use of the resources available. With the current boost in the number of CPUs, the more work they can do in parallel, the better the performance. The columnar storage enables parallel processing as different CPUs can take one column each and do the required operations (aggregations etc) in parallel. Or multiple CPUs can take a partitioned column and work in parallel for faster output.

Multiple Engines

SAP HANA has multiple engines inside its computing engine for better performance.

As SAP HANA supports both SQL and OLAP reporting tools, there are separate SQL and OLAP engines to perform operations respectively. There is a separate calculation engine to do the calculations. There is a planning used for financial and sales reporting. Above all sits something like a controller which breaks the incoming request into multiple pieces and sends sub queries to these engines which are best at what they do. There are separate row and column engines to process the operations between tables stored in rows and tables stored in column format.

The SAP HANA Database was developed primarily in JAVA and C++, designed to run on the SUSE Linux Operating System. The figure below provides a high-level view of the SAP HANA Application Software and its associative functions:

Key architecture components include:

- Client Applications – SAP HANA can accommodate multiple clients across multiple instances to provide access to useful data across a number of related applications.
- SAP HANA can also connect via an optional module (XS Engine) to a Client Application via HTTP/S. This is helpful for obtaining third-party data or data from disparate locations.
- It is currently not recommended to attach more than one ERP instance of SAP HANA due to potential for table name replication (SAP HANA Database is a non-locking database).
- Index Server – The Index Server contains the actual data and engines to process the data.
- Pre-Processor Server – The Index Server utilizes the Pre-Processor Server to analyze text data and extract data from text when called via the Search function.
- Statistical Server – The Statistical Server will analyze and present status, performance and metrics from all SAP HANA Database components listed here, as well as the underlying hardware and OS.
- Name Server - The Topology of the SAP HANA Database is recorded here. In a multi-server SAP HANA distributed landscape, the Name Server will record which data is on which server to decrease time associated with re-indexing.
- XS Engine – Client applications can use HTTP to transmit data via the optional XS Engine which uses SAP ICM for HTTP server. This module provides access to the SAP HANA DB by transforming the persistence model stored in the DB into a consumption model for clients exposed via HTTP. This allows an organization to host system services that are part of the SAP HANA Database (ex. Search service, built-in web server that provides access to static content in the REPOSITORY)

Conclusion

The SAP HANA real-time business platform helps companies work smarter at almost every decision point. They can process all their data—both historical and fresh operational—with the speed needed to support real-time business processes. The SAP HANA real-time business platform is transforming the way businesses store, manage, and use their data. It organizations no longer need to deploy and maintain separate databases for their transactional and analytical applications. Instead, they can support all their applications on a single database and perform complex queries in fractions of a second to inject data-driven insights into real-time processes.
Events & Celebrations

The Department of Commerce organized a farewell party “Sham-E-Rukhsat” on 31st March, 2015 for the students of final year in which Ms. Farewell & Mr. Farewell and Ms. Personality & Mr. Personality were honoured by Dr. S.K. Mishra, Principal.

A Farewell Party “Yaadein-The Memories” was organized on 8th April, 2015 by the students of Bachelor of Arts. Dr. S.K. Mishra, Principal, GDC Memorial College honoured Ms. Farewell & Mr. Farewell and Ms. Personality & Mr. Personality.

Prof. A.S. Maan, Professor & HOD-Department of Physics, M.D. University, Rohtak delivered an Extension Lecture on 18th April, 2015 on the topic “Statistical Physics”. The workshop proved to be very educative & beneficial for the students.

Visit of Inspection Committee of M.D. University, Rohtak

The University Inspection Committee consisting of Prof. A.S. Maan, Department of Physics, M.D. University, Rohtak, Dr. Laxmi Dalal, Principal, Govt. College for Women, Rohtak, Prof. S.P. Khalkar, Department of Chemistry, M.D. University, Rohtak and Dr. S.K. Malik, Principal of All India Jat Hero Memorial College, Rohtak visited GDC Memorial College on 9th May 2015 to inspect infrastructure and academic facilities for various UG and PG courses for the session 2015-16.

भारत का वीर पुत्र महाराणा प्रताप

राजपूत गाड़ीयाँ लोहारी के रूप में दर-दर मुरखते हैं। महाराणा प्रताप का भीम यह गाड़ी नहीं था कि वे मुगल सेना में एक पद लेकर अपना राज्य गिरवा रख दें। इसीलिए सैनिक बल कम होने के बावजूद वे अकबर को तकराने में सफलता प्राप्त कर चुके हैं।

जन्म और बचपन

महाराणा प्रताप का जन्म 9 मई, 1540 को मेवाड़ क्षेत्र में उदयपुर के सिसोदिया राजासंघ में हुआ। उनके पिता महाराज उदयसिंह और माता रानी जीता कंत्रों थी। जीता कंत्रा का नाम कादानी-कादानी जुवेलिया उसे लेखक खित किया गया था। जैनताबादी पाठी के सोनोपाय राजपूत अर्थात को बैठा थी। प्रताप का बयान नाम का था। उनका राजनीतिक गोदाम में हुआ। महाराणा प्रताप मेवाड़ में ही बीमार, बिकल्प राजपूतना के दिल्ली राजकारणों में से एक थे।

संघर्ष और युद्ध

महाराणा ने कभी अकबर की अयोग्य स्वीकार नहीं की। महाराणा को मनाने के लिए अकबर ने जजहर मिलाना, माननारायण हथियाराधार और टेंडरल जैसे राजपूतों को उनके पास मुंह लगाना। लेकिन महाराणा ने उन्हीं की खातिर ध्यान देना विद्वंद्व करने से शर्त कर ली। इस राजनीति को बदलने उनकी कई बार तक मुगल वादशाह अकबर के साथ समन्वय किया। महाराणा प्रताप ने बन 1576 में मुगल सेना का उदय पुरुषार निकाल दिया। इस युद्ध का नाम उदयपुरी युद्ध कहा जाता है। इस युद्ध की विजय के हिसाब से राज्यों का रंग और रंग को जीतने के कारण इसे हेम पूरार्क कहा जाता है। हेम पूरार्क का युद्ध 21 जून, 1576 में मेवाड़ और मुगल सेना के बीच हुआ। इस युद्ध में मेवाड़ के राजा ने मुगल सेना का प्रभावी नियंत्रण महाराणा प्रताप ने और मुगल सेना का कान्हिसन महाराणा प्रताप ने। उन्होंने मुगल सेना का प्रभाव किया। इस युद्ध में मुगल सेना का अंदर में लगाया था अत्यधिक मुसलमान सरदार हींरम हस्ताक्षर। हेम पूरार्क का युद्ध 21 जून, 1576 में मेवाड़ और मुगल सेना के बीच हुआ। इस युद्ध में मेवाड़ सेना ने राजस्थान के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में बीते मेवाड़ सेना का उदय पुरुषार होना है। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया। इस युद्ध में मेवाड़ सेना के राजा ने मुगल सेना का प्रभाव किया।
Earth Hour

Earth Hour was held in BRCM PUBLIC SCHOOL VIDYAGRAM on 28 Mar 2015 to encourage students and staff to save energy showing their commitment to the planet. In the School all the lights were put off for one hour from 8:30 to 9:30 p.m. The Principal on the occasion guided students to save electricity so that they play their roles in saving the mother Earth.

Shala Pravesh

The new session began with new hopes, new dreams and new classmates on April 1, 2015. The traditional havan was performed by the Principal, staff and students. The parents of newly admitted students were also invited for the ceremony. Everyone took the blessings of Goddess Saraswati so that the new academic session runs smoothly. There was a special assembly on this occasion.

Achiever's Assembly

On 29 March 2015, a special assembly was conducted to felicitate the academic achievers for the session 2014-15. The Principal appreciated the efforts put up by the academic toppers and delivered them a card of appreciation each. It was a very encouraging and motivating moment for all the students. A special SMS was also sent to the parents of the achievers.

Orientation Programme for Newly Admitted Students

The students who have joined the BRCM family in the year 2015 went through an orientation programme through which they learnt the culture of the School and got acquainted with variety of facilities available on the Campus. During the programme, the students visited Urmila Chaudhary Dairy Farm that supplies milk to the School's mess. They also learnt various mechanisms of dairy farming which are based on the latest technology used in Israel.
Inter House Equestrian Competition

Horse Riding is one of the most beloved activities of School. Keeping in mind the fondness of students, an Inter-House Equestrian competition was organized on 10 April 2015. Students showcased their art of horse riding before an enthralled audience. There were various types of hurdles which the riders crossed successfully and brought laurels to their houses. Vipula House was declared the Best House of the Competition.

Dickens Week-2015

The Department of English organized the Dickens week from 13 April-18 April 2015 in which a variety of literary activities ie Recitation, Creative Writing, Calligraphy, Debate, Essay Writing and Spelling Competition were conducted. These activities helped the students enhance their literary skills. The hallmark of the week was the debate which was held in the school auditorium. The topic of the debate was, “Mobile Phones should be Allowed in Schools”. Students argued their points and presented interesting views on the topic. The debate ended on the notion that the technology should not overpower mankind and should be used very judiciously.

Inauguration of English Language Lab

Keeping in mind the increasing importance of English Language in modern times, a comprehensive English Language Lab was inaugurated by Mrs Urmila Chaudhary on 15 April 2015. The lab is expected to help students in honing their skills in English and provide them international competence in the language. The lab has a capacity of 30 students who will be trained through audio and visuals about speaking, reading and writing of English.

Ambedkar Jayanti

BRCM Public School, Vidyagram paid homage to Dr. B. R. Ambedkar on 14 April 2015 and celebrated Ambedkar or Bhim Jayanti to commemorate the memory of Babasaheb. The Principal in his speech highlighted the concerted efforts put up by Dr Ambedkar who turned the wheel of law to provide social justice to all. He was the architect of Indian Constitution. He had dedicated his life for uplifting the deprived section of the society, the Principal said. The students also showed a Power Point Presentation in the school auditorium on this day.

Govt. School Patwan visited Vidyagram

A group of 125 students from classes XI-XII of Govt Senior Secondary School, Patwan visited BRCM Public School Vidyagram Campus on 28 April 2015. The students were accompanied with their teachers and Principal. Mr Praveen Masta, Principal, BRCM Public School Vidyagram welcomed the students and asked the students to be more specific in setting their goals and achieving them. He also advised them to learn English Language so that they face the future challenges of lives easily. The students were also given snacks as it was the snacks time for our boarding students.

A Friendly Volleyball Match between Staff & Students

The students of BRCM Public School, Vidyagram witnessed an exciting Volleyball match between staff and the students on 19 April 2015. All the students were in teachers side and applauded them with full of their vibrations. It was an exciting match in which the students team defeated the staff team in straight three sets.

Students of Govt Senior Secondary School, Patwan visited Vidyagram.
The Department of Hindi & Sanskrit organized a literary week from 27 April to 2 May 2015 in which various activities were organized for the students. The first event was Hindi Poetry Recitation for Juniors. Students recited poems based on various themes. An Inter House ‘Shloka’ Recitation and Speech Competition were also organized. The Literary Week ended with a Hasya Kavi Sammelan which was organized on 3 May 2015 in the school auditorium on the occasion of ‘World Laughter Day’. The students presented many humorous poems on various themes. The Principal appreciated the performances of the students and gave away the prizes to the winners.

Guru Rabindranath Jayanti

On 9 May 2015, BRCM Public School, Vidyagram celebrated 151st birth anniversary of the noble laureate Rabindranath Tagore, a great scholar and novelist. The school choir performed one of the most popular composition of Tagore, ‘Ekala chalo re’. A Power Point Presentation was shown to the students. The Principal paid his tribute by highlighting the unparalleled contribution of Guruji to Indian Literature.

Mother’s Day

Mothers Day is observed on the second Sunday in May. It is a time to honour one’s own mother for her contribution to family and society. BRCM Public School, Vidyagram celebrated Mothers Day on 10 May 2015 by organizing a card making competition. The students made beautiful cards for their mothers and were asked to carry those cards home during Summer Vacation for mothers.

Annual Book Fair by Scholastic

Book Fairs have a great role in promoting the reading habit among people of all ages. To inculcate the reading habit among students, Scholastic Publishers organized a book fair in Swami Vivekananda Auditorium from 11 – 13 May 2015. The book fair was inaugurated by Dr. S. K. Sinha, Director, BRCM Education Society. All the students visited the fair and purchased books of their interest. A variety of books on different topics were on display. The students from different Wings of BRCM Education Society also visited the Fair.

Info Bytes-2015

The Department of Information & Technology of School organized the Info Bytes – 2015 from 20 – 26 Apr 2015. Various activities like Brochure Designing, Tux Paint, Web Page Designing, Power Point Presentation and 3-D Modeling were conducted. Students actively participated in these events and showcased their computer skills. A corridor quiz was also conducted in which students showcased their work produced during the week.

Inter House Rifle Shooting Competition

An Inter House Rifle Shooting Competition was held on 9 May 2015. There were 73 participants in all. The competition was held in 3 categories: Junior, Middle and Senior. The students participated in wide range of activities and were adjudged on their accuracy and shooting skills.
श्री बल्लारामजी चौधरी - एक परिचय

(1875-1949)

कोलकाता जाने की योजना से आश्रय होकर मां माँ जी ने अपने भाई को कोलकाता भेजने की व्यवस्था करवाई। इस चलावल जी व्यापार करने की हस्तिलाई लिए कोलकाता मोहनलाल जी जालान के यहाँ गए। मोहनलाल जी ने स्वप्नपूर्वक आपका स्वागत किया एवं शीघ्र ही आपको कस्बा मण्डी स्थित गली के खिताब पर काम करने के लिए भेज दिया। आपने बड़ी ही सुख-श्रुत्परी एवं परिश्रमपूर्वक काम करना प्रारंभ कर दिया।

आपने इसके में फसल के सम्भावनाओं की सही जानकारी हासिल की, बिजलीकार तिलान में तेल-शमन की। आपका इस्तेमाल नौकरी करने का तो था तो नहीं। आप अपनी उद्योग के बल पर आप बड़े ही उड़के थे। व्यापार की पेसिदों एवं काट-काटन मुश्किल आपने मोहनलाल जी जालान के यहाँ काम बंट कर अपना कर्म करने का व्यापार प्रारंभ किया। आपकी कमजोरी, व्यवस्था-चालू एवं सार्वजनिक देखभाल वाला बाजार में आपकी धारक जग मगा। फलस्वरूप कर्म के बीच दुनानाद आपको मनोहार उठा माना देते लगा।

उस समय परिवार की मुद्दमुड़, उन्नत कृषि-कार्य एवं कृषि राखना तथा उन्हें अन्य व्यापारियों को एक निर्मित साझेदारी के साथ व्यापार कार्य करने के लिए पिछाड़े पर देना था।

बल्लाराम जी ने विचार किया कि कृषि-कार्य एवं कृषि राखना व्यापार कर्म करने को हो, तेजस्वी समृद्धि की देवी सूर्य देशों में ही बसती है। उददकर दूर देश में जाकर उद्योग/व्यापार करना ही सच्चे बैस-पुत्र का कर्तव्य होना चाहिए। बल्लाराम जी की दुरदृष्टि औरंग व्यापार की समस्याओं को दूर करने के प्रयासों के पार भी रख रहे थे। लोग से सलाह कुछ बात करने की तलाश के बहुत आपने अपने बडे भाई को परमाष्ठ व्यापार के तौर-तरीकों में परिवर्तन करने एवं देशभर में जाकर व्यापार करने के अपने दूर निर्मितियों के बारे में बताया। परन्तु बड़े भाई ने सोच-पापट शब्दों में कहा-“भाई, अपना और काम कर इसी से मन जाता है, अपने दूर देश में जाकर व्यापार करने के पचड़ों में कह जायें?” बड़े भाई की बातों से निराश न होकर अपनी व्यापारिक योजना पर दृष्टि से बोची लगा।

आपका निर्णय ईस्टिंगोल था। आपके अपने मामा श्री रामचंद्र जी ईसाबादीयों से बियोग सहना था। आपने अपने नई योजना अपने मामा को बोला। मामा जी ने भी आपकी योजना में सहमत जानाएं एवं पूछ-“बेटा, आखिर बताओ तो सही व्यापार के लिए कहां जाना की व्यापार है?” आपने स्पष्ट शब्दों में कहा-“मामा जी, मेरा कोलकाता जाने का विचार है। यहां हमारे गाँव के सेत आगोललाल जालान (बहल में देखी बाहर) रहता है, वहां हम रिलेशन भी हैं। उनके यहां रक्तक कोई काम सीखूँगा, तक उसके बाद आपना कार्य प्रारंभ करेंगा।"
व्यापार समेत कर जो भी पूंजी हासिल हुई, उसे लेकर बहल बढ़े भाई 
को सेवा में चले आए। अपने बड़े भाई की प्रभुपूर्व सेवा की एवं अच्छे 
से अच्छे डाक्टर से इलाज कराया, लेकिन काल को जोत 
सकता है? बड़े भाई का स्वर्गवास हो गया। इससे पिताजी भर बढ़ा 
दुःख दुःख पड़ा, लेकिन सहासी एवं जीवत सम्पन्न बल्लाराम जी ने 
बड़े दूरपूर्वक इस विषय पर परिवर्तन का उठाया मुकाबला किया। 
कुछ दिनों तक तो भाई को दुःख मूर्ति से दुःखी रहे, लेकिन 
आखिरकार व्यक्ति को प्रयासों के बिखरों को भूलकर संसार में 
प्रवृत्त होना ही पड़ता है। आपने भी लोक-धर्म का अनुसरण कर 
बहल में ही जो भी जमा पूंजी पाया था, उससे अपना व्यापार प्रारम्भ 
दिया।

पारिवारिक जीवन

बल्लाराम जी का जन्म सूरपुर से श्री जुगलाल जी की कन्या 
राई देवी के साथ हुआ। इस विवाह से आपकी तीन संतानों, क्रमशः 
दादा साह, गाँव भाई एवं बृन्दावन दास का जन्म हुआ। श्रीमती राई 
देवी इन संतानों का जन्म देखकर अल्पकाल में ही स्वयं सिखाया गया। 
अब 
बल्लाराम जी पर इन तीनों बच्चों के पालन-पोषण का भार आ पड़ा। 

व्यक्तित्व एवं कृतियाँ

चौथी बल्लाराम जी बड़े दबंग एवं सहायी व्यक्ति थे। कहा 
जाता था कि "गरीबों का तरफदार बल्लाराम"। अर्थात आप कोई 
आदमी किसी गरीब को सलाता तो बल्लाराम जी उस गरीब की 
हिमायत में सहस्र खड़े हो जाते थे। अग्नि न करना एवं न सहन 
करना उनका सिद्धान्त था। न्याय-पथ पर चलने के लिए बेड़ी से 
बड़ी निपटने में हैं तैयार हो जाते थे। इस संस्थास्थिति में एक 
दुष्प्रवृत्ति समाचार होना ;-) 

tक्नालीन लोहाक स्टेट का नवाब मुसलमान हुआ करता था।

बहल लोहाक स्टेट की सीमा से बाहर पड़ता था। बहल के पास स्थित 
चहड़ा ग्राम लोहाक स्टेट में पड़ता था। किसी कारणवश नवाब 
लोहाक चहड़ा ग्राम पर पारा हो गया एवं गाँव के लोगों को निर्रुप 
करने का आदेश दे दिया। गाँव बाले जान बचकर भागाने लगे। इसी 
क्रम में बहल से चहड़वासी जो चौथी बल्लाराम जी को जानते थे, 
उनके पास शरण लेने के लिए आए। चौथी बल्लाराम जी सहस्र उन 
चहड़वासियों को शरण देने के लिए तैयार हो गए। लोकातीकरण 
परंपराओ के अनुसार लोहाक लोहाक को कॉलोजन बनना ठीक नहीं है, लेकिन शरण में 
आए व्यक्तियों को इसी भी कोसीट रक्षा करने का हम्पीरी हट तो 
केवल बल्लाराम जी जैसे सहायी एवं दूसर-संलग्न पुरुष के योग्य ही 
था। आपने नवाबों की रचना भी परवाह न करते हुए उन 
चहड़वासियों को महिलाओं अपने नोहरे में ठहराया एवं उनकी सारी
Hawan Ceremony on New Academic Session

On April 1, 2015 New Academic Session was started with Hawan Ceremony. Dr. S. K. Sinha, the Director (Admin) and all the Heads of BRCM Institutions, staff and students and dignitaries from Bahal were present on this occasion.

The Chief Guest of the Programme Prof. (Dr.) Dalel Singh, Vice Chancellor of OPJS University Rawatsar, Rajasthan, and Guest of Honour Mr. D.C. Bhati, (Ret.) Deputy Director Employment, Dept. Haryana Govt. with special guests Mr. Bijender Lohan, State President (Gymnastics Association), Haryana honoured the talented students. Dr. S.K. Sinha, Dr. S.K. Mishra, Sh. Rajesh Jhajharia, Sh. Sandeep Tandon and staff of the school graced this occasion. Ashish Kumar student of class XI was awarded scholarship cheque of Rs. 11,000 along with a Trophy and Merit Certificates and Saurabh Karwasra students of XI was awarded scholarship cheque of Rs. 5,100 along with a Trophy and Merit Certificates. 242 students of the school were awarded with medals and certificates by RAAH Group Foundation.

A group of 106 students of classes III to V under the supervision of 7 staff members visited at SPLASH Fun Park, Hisar on May 15, 2015. All the students enjoyed the fun trip with great zeal and enthusiasm.

A group of 10 Scouts of the school attended “Raiya Puraskar” the Camp under the supervision of Scout Master Mr. Bhim Singh Poonia and Mr. Joginder Singh at Tara Devi (Shimla Hills) from May 22 - 27, 2015. In this camp students participated in various activities like: Prayer, Pledge, Flag Song, Gadgets making and finding the directions by compass and all the students qualified the test.
Mrs. Sunita Chauhan Headmistress RDNL Vidya Mandir performing 'Hawan' along with the teaching, non teaching staff and the students on the occasion of starting of new session on 1st April, 2015 for the betterment of the students and the bright future of the school.

On 8th May, 2015, on the occasion of Mothers' Day, a Drawing & Painting Competition was held in which 50 mothers participated & Mrs. Preeti Goyal (Nandini Goyal's mother) got 1st prize in this competition.

A Parents Teacher Meeting was organized on 16th May, 2015, as parents play an important role in bringing up children and are a strong bridge of communication between home and school.

Mrs. Kamlesh Shoeran (Chief Guest of the Mothers' Day) awarded Ms. Divya as a best Student of the month. Ms. Divya from class 1st Rose was found to be the best student in academic and cultural activities which was held during April & May.

The activities rejuvenate students in the array of providing plenty of opportunities to the students. Class wise note book decoration competition was held on 29th April in which students decorated their note book with the help of their parents.

Drawing and painting competition provide opportunity to the students to vent up their artistic feeling. Class nursery to 2nd participated in open painting and colouring competition which was held on 2nd May, 2015.

It is not only the deep knowledge of language that is important but also its spoken part that acquires the attention. It is the fluency and the correct pronunciation with which one speaks is important. This self introduction competition was held on 22.04.15 in which the students of Nursery to 2nd class participated.

Students performing dance on the occasion of Mother's Day on 9th May 2015. Mothers also performed on the stage for their kids and in the same function students also expressed their thoughts & feeling through their poems & speech.
Lokmanya
Bal Gangadhar Tilak
Father of
Indian National Movement

Bal Gangadhar Tilak is considered as Father of Indian National Movement. Rightly, the British colonial authorities called him “Father of the Indian Unrest.” He was a multi-faceted personally – a social reformer, freedom fighter and a scholar of Indian history, Sanskrit, Hinduism and Mathematics.

Tilak was born on July 23, 1856 in a middle class family in Ratnagiri, a small coastal town in south-western Maharashtra. He was a brilliant student, especially very good in mathematics. In 1876 he completed his Bachelor’s Degree in Arts in Mathematics, securing first division from Deccan College, Poona. He obtained his LL.B. degree from University of Bombay in 1879.

He spurned lucrative offers of government service that came his way after completion of his degree. Instead he decided to devote himself to the larger cause of national awakening. Tilak founded the Deccan Education Society with the help of some of his college friends. His goal was to improve the quality of education for Indian youth, as he was a critic of the educational system, the British had provided for the Indians. The society established the New English School for Secondary Education and Fergusson College in 1885 for post-secondary studies.

A year after founding the Deccan Education Society he started two weeklies, ‘Kesari’, a Marathi weekly and ‘Mahratta’, an English weekly. Soon both the weeklies became very popular. The newspapers actively propagated the cause of freedom. To instill a sense of unity, Tilak started celebrating festivals like ‘Ganesh Chaturthi’ and Shivaji Jayanti’. Now Ganesh Chaturthi is considered one of the prime festivals of the Marathis.

He was one of the first and strongest advocates of “Swaraj” (self-rule). He is known for his quote in Marathi, “स्वराज हा माझा जनसिद्ध हक्क आहे आणि तो मी मिळताणारच; “Swarajya is my birthright, and I shall have it!”

Tilak’s activities aroused the Indian populace, but they soon brought him into conflict with the British government, which prosecuted him for sedition and sent him to jail in 1897. The trial and sentence earned him the title Lokamanya (“Beloved Leader of the People”). He was released after 18 months.

Bal Gangadhar Tilak was arrested again on the charges of sedition and inciting terrorism in 1906. He was sentenced and deported to Mandalay in Burma (now Myanmar) to serve a six-year prison sentence.

He wrote his famous book ‘Srimad Bhagavadgita Rahasya’ (“Secret of the Bhagavadgita”) while serving the prison term.

Tilak was released on June 8, 1914. There was unprecedented jubilation in India after he was set free and people organized grand welcome to receive him back in India. This boosted his morale and he decided to re-unite with his fellow nationalists and founded the ‘Home Rule League’ in 1916 to attain the goal of Swaraj. He went from village to village and explained the aim of his League to the people. Soon he won their hearts. Unfortunately, Lokmanya Bal Gangadhar Tilak died on August 1, 1920 while he was still engaged in the struggle for Swaraj.

He was a member of the Municipal Council of Poona (now Pune) and a Member of the then Bombay Legislature.
Events & Visits at
